OFFICIAL NOTES

Our Visitors

This is the first occasion we have entertained a Rugby League team from Italy, and I trust they will have a very enjoyable time, and take back happy recollections of Huddersfield, and Fartown in particular. This afternoon the whole of the party was given a Civic Reception at the Town Hall by the Mayor, Ald. J. L. Dawson, J.P., and later entertained to tea by the Club.

The Captain, Bertolotto, has played six times for Italy in Rugby Union football, and a number of the other players have played in representative matches in various parts of Italy.

Before coming to this country, they played three matches in France, these are the only games they have played in our code.

Probably our team will be too good for them today, but the experience gained will be useful when they return to Italy. We wish them every success in the future.
