CLUB CHAT

The Challenge Cup competition first round matches take place today, and we are pleased to welcome Huddersfield to Clarence Street this afternoon. Our opponents are playing in the Lancashire League this season, consequently we have no fixtures with them, so it is of particular interest that we should be meeting them in a cup-tie, as they are always welcome visitors to Clarence Street. We can anticipate a very entertaining game.

Huddersfield hold a high position in the League table and in their side are two former local juniors, Keith Bowman and Harry Deighton. Teenager Deighton is the son of a former York "hooker" who since his playing days has served on the Club's staff in looking after the "A" team's kit and a brother of Ronnie Deighton.

With the staging of a most satisfying second half display, our senior side came near to creating a surprise at Featherstone where the Rovers survived by 18—13 after leading 18—6 at the interval. Peter Foster, after waiting several weeks, succeeded in passing Brian Smith's Club record of 112 tries. His next aim is to leave the 13 mark. Fred Ward and Stan Flannery want one more try each for double figures.

Geoffrey Francis, who scored a try at Featherstone, was signed after his first game in the win over Bramley. Son of the Hull manager and coach, Roy Francis, we hope he may have the same success on the wing as his father. Dennis Goodwin, in his first appearance, scored against Bramley. Like Roy Francis, he was for several seasons with Barrow before moving to Yorkshire. We wish for both our new players a happy time with us at Clarence Street.

Our "A" team rallied splendidly in the second half to beat Hull Kingston Rovers "A" 13—5. The forwards played a big part in regaining winning form. A trialist centre gave every satisfaction.
